

Krystal is a recent transplant to Nebraska from Casper Wyoming. A 2006 Theater graduate of Southwestern College, she traveled as a touring actor/director with the Missoula Children's Theater. Krystal also attended Casper College and received her dance performance degree training under Jodi Youmans-Jones.

Most recently, she was the acting coach for Disney's "Mulan" under direction of Gary Abbott of Deeply Rooted Productions of Chicago for the Cam-Plex Multi-Events Centers Performing Arts Workshop in June of 2009.

She is thoroughly excited to be working with such amazing talented young people and the supportive staff at Smitty's P.A.C.
